Arch & Godfrey is passionate about giving back. For more than 50 years we have remained committed to providing opportunities for the advancement of people.

We provide training opportunities in collaboration with local partners for high school, and college graduates in the various construction disciplines. As a good corporate citizen Arch & Godfrey believes it is our duty to donate our knowledge and resources to rebuild the country in the event of a major hurricane or other natural disaster.

Arch & Godfrey's charitable support extends (but is not limited to) the YMCA of the Cayman Islands, the Children and Youth Services Foundation, the Cayman Islands Further Education Centre, Workforce Opportunities & Residency Cayman, and Inspire Cayman – including providing paid internship opportunities, with a focus on mentoring young Caymanians.
